Mr. Ralph C. Jones, P.E.
Ash Grove Cement West, Inc.
3801 E. Marginal Way S.
Seattle, Washington 98058

Dear Mr. Jones:

It was a pleasure to meet you at Ash Grove the other morning.

To confirm what I explained to you regarding the stormwater detention tanks furnished to Gary Merlino Construction, the construction of the end plates on the tanks is consistent with current industry practice. Contech is not aware of any structural problems with end plates on detention tanks furnished to this date.

I hope that your project runs smoothly!

Sincerely,

Steve Kari
